yellow

Dot the patterns!

Look at the pattern, then dab the empty circles to continue it.

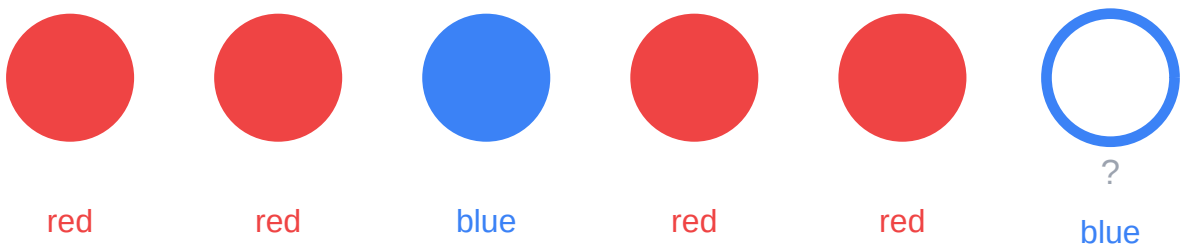

red, blue, red, blue ... what comes next?

green, yellow, green, yellow ... what comes next?

red, red, blue, red, red ... what comes next?

Great dotting!

You dabbed the whole alphabet and counted to 10!

A–Z · 1–10 · colours · patterns

Dot markers build hand strength for writing — well done!

Name: _____

Date: _____

Keep dotting every day — little hands grow strong!
